*Disclaimer: Some family reunion planning may require a lot more stress, a bunch more boxes on the checklist, and your trusty friend Google. I just prefer to keep it simple. I cannot be held responsible for any failed family reunion that results from following this checklist. I can only be responsible for providing [cool new family reunion t-shirt designs](#) and ideas year-after-year. So please come back again and check out designs for [other events](#) throughout the year that require t-shirt designs. I'll leave the in-depth planning to the seasoned planners! 😊*
